

color quantity prints

QUANTITY PRINTS are excellent quality enlargements made from jpegs, RGB Tiffs or color negs ranging in size from 35mm to 8x10. From 4x5 negs, 8x10 or larger prints only. From 8x10 negs, 11x14 or larger prints only. Also available on-line through our **S.O.S.** system.

QUANTITY PRINTS prints are ideal for large numbers of prints from the same image, suited for Sales Portfolios, Meetings, Catalogue Inserts, Trade Shows, Flyers, Actors' Head Shots, etc.

SET UP PRINTS include reasonable color and density matching to sample prints or materials. When required, the **SET UP PRINTS** will be submitted for approval. Prints to be approved within 2 working days.

QUANTITY PRINTS can be printed on **N** (Semi-matte) paper (all sizes), **F** (Glossy) paper (up to 20x24) or **E** (Lustre) paper (up to 12x18). Please indicate choice when placing your order.

For negs, please crop your prints using **SILVANO EASY CROP MASKS**, or mark the mask size (e.g. 6A) and orientation on the neg envelope.

For maximum impact, **CAPTIONS** can be added to these prints.

Please specify all instructions when order is placed.

No Burning-in or Dodging in this category.

For print finishing services see page 15.

Quantity price is per print from **one** negative for each size.

b&w quantity prints

B&W QUANTITY PRINTS are ideal when large quantities of prints are needed from the same negative.

SET UP PRINTS include reasonable matching to sample prints. When required, **SET UP PRINTS** will be submitted for approval. Prints must be approved within 2 working days.

B&W QUANTITY PRINTS from **B&W** negs are printed on Ilford **F** (Glossy) **RC** paper (up to 11x14) or **Pearl RC** paper (all sizes). Please indicate choice when placing your order.

B&W QUANTITY PRINTS from color negs are printed digitally on color photographic paper.

For maximum impact, **CAPTIONS** can be added to these prints.

Please specify all instructions when order is placed.
