

Professional designer albums featuring Lock-Leaf construction

Designed for digital and conventional prints UNI-LOCK albums are constructed using piano hinge pin-style stacking pages. This sophisticated feature provides flexibility and expandability options unmatched by any other page design. Each page has its own free-turning hinge that lays flat.

Simulated leather
UNI-LOCK cover sets for
10x10, 8x10 or multiple prints
(cover measures: 12.125"W x 11.625"H)

Each album requires Leaves and Mats. See pages 14-15 for black
